

WE ARE IN..

In the nationwide Start Opportunities program!

What is the Startchancen program?

A nationwide funding program from the federal and state governments – for greater educational equity and better learning conditions in schools!

What are the program's goals?

- *Equal opportunities for all students*
- *Individual support for each child*
- *Strengthening the school community*
- *Creating a modern and needs-based learning environment*

Here's how we're already implementing the program:

- *Supporting children within a learning group*
- *Collaboration with school social workers, GU teachers, and school administration to develop program goals*
- *Language groups with an experiential approach to teaching German*
